What Else Is Happening?

Your reunion committee is focused on creating a fun and memorable experience. This will be possible with your suggestions and input. Currently, we have the following activities to consider:

Wine Tasting Tour
Sunday Brunch at Oheka Castle
Beach BBQ
Fireman's Fair
Harborfields HS Campus Tour
Pub Crawl

Share Your Ideas

We are partnering with FOREVER.com to provide a digital home for everyone's photos from the reunion weekend. The Forever.com platform will securely store and share our reunion photos, and will provide us with the opportunity to create and print individual photos or photo books from the comfort of our homes. Look for the QR code in the next newsletter and posted throughout the venue. Scan the QR code using your mobile device and the rest is easy. We will have a personal "Ambassador" who will offer free ZOOM tutorials to help us set up our (free) accounts and create our individual photo projects.

HF Class of '76 Memorial Tribute

We have compiled a list of our classmates who have passed on our reunion website.

We are looking for pictures of those who are not pictured in our 1976 yearbook, and need your help. If you have a photo of any of these friends that you can share, please upload it to the website so their image can be included in our memorial tribute.

Thank you
